

Martinez Missionary Mail (3rd Quarter 2019)

Chuck & Robin Martinez, SGSP Mission Directors- Guatemala

Reconnecting Arizona Style

Robin and I are on the go almost non-stop while stateside. We travel from city to city sharing the SGSP Aviation mission and how individuals, churches, and organizations can get involved to keep us serving in Guatemala.

For 12 years we have embraced Guatemala and her people as our calling, ministry, and home. Yet, Shiloh Christian Ministries (SCM) has remained a safe harbor for us stateside. Since joining SCM in 1990, we were encouraged to mature as Christians, made longtime friends, and were commissioned to the mission field in 2003.

Earlier this year we enjoyed a family-style evening with SCM leadership, our excitement showing, as we shared how this new work in Guatemala, called SGSP Aviation Ministries would “Give Wings to Good Works.” (www.sgsp-aviation.org)

An evening to fellowship and catch-up with Shiloh leadership.

Arizona Hospitality

Our Arizona hosts and longtime friends took “Mi Casa Es Su Casa” to new heights, making us feel at ease and comfortable. Among the *many* surprise blessing, Robin’s sewing outreach in Guatemala will finish the year well supplied and ready to start 2020

SGSP Aviation Ministries, Inc. is a 501(c)(3) not-for-profit public charity. Give generously!

We've been everywhere man!

The search continues for a location to establish a stateside mission base that will support flight operations in Guatemala. Once established, mission aircraft can be prepped for service in Guatemala. C&R have visited airports large and small all along the Arizona southern border and beyond. Agree with us in prayer for the right location, funding, and missionary staff.

Sewing Seed in Good Ground

Santos Garcia is a Bible Institute graduate and trained minister with a small church plant. SGSP is all about helping ministers meet the needs of the people. Today's contribution will buy chairs for a growing congregation.

Caring for the Caregivers

These women work long hours caring for the children at El Hogar Prometido. Even so, these faithful workers stay after to laugh and learn sewing skills with Robin. Several have shared how these classes minister to their spirits, binding them together in their work as caregivers.

Dry Season Approaching

After nearly two months stateside, we returned to Guatemala in mid-August, to prepare aircraft, hangar, and administration for flight ops as the wet season fades, giving way to clear skies. Considering a year-end donation? These are some excellent SGSP projects to support- ADS-B transponder, fuel, tires, insurance. Be sure your tax-deductible donation is "postmarked" no later than 31 December 2019.
