

# Martinez Missionary Mail

(Fourth Quarter 2021)

Chuck & Robin Martinez, SGSP Mission Directors- Guatemala

## Unexpected Christmas Travel

From our 3<sup>rd</sup> quarter newsletter, we reported that we spent 6 weeks stateside beginning in September, sharing, preaching, teaching, and reconnecting across 5 states. Returning to Guatemala we thought our travels for the year were over. Both of our parents live in California but sadly, it was not part of our itinerary that trip.

With some gentle prompting from the Spirit of the Lord, we determined that we should make a special effort at year's end to visit parents and family over the holidays. Robin's mom was a missionary kid (MK) and her father an evangelist that traveled across Europe and the U.S. Robin continues the legacy of ministry to this day in Guatemala.

## Ministry Transportation

The final quarter of the year brings with it a flurry of activity. Many outreaches begin spin-down by December. For SGSP Aviation, requests for ministry transport actually ramp up. At the same time, we also begin to close out the year maintenance-wise and administratively to make ready for the next.

*Bro. David (aka Señor Fun-Tastico) faithfully comes to Guatemala each year using clowning as an evangelistic ministry to children and youth.*

## Blessings abound

Friends, family, and ministries blessed us personally, along with SGSP Aviation, with needed items from hearing aids to aircraft hoses, iPhones and iPads, vehicles, and accommodations, sewing machines, and the list could go on. Our thanks to each of you as we close out 2021 and look ahead with anticipation to the new year.

## Year End Giving Made EZ

Send your tax-deductible giving by check to SGSP Aviation, PO BOX 1252, Sierra Vista AZ, 85636. Check writing or a Post Office visit not attractive? Your bank or mobile banking app provides for EZ Bill Pay, no paper check or postage needed. Another reliable giving option is PayPal, giving individuals full control over their charitable contributions. The QR code at right links directly to the SGSP Aviation giving venue.

Give it a try; it's easy!

## ...but God Orders Our Steps

SoCal to NorCal is a short flight. So, what could go wrong? Even in sunny California it was cold, flu, and Covid season. A difficult decision, especially with ticket in hand, but I cancelled my trip the evening I was set to go due to some symptoms, fever, and fatigue. Rather than exposing my dad Charlie (87 years old) and stepmom Maria to an unknown virus.

## Put us on Your List

Prayer is the bedrock on which all ministry is built and stands. SGSP Aviation and Directors Chuck & Robin Martinez ask that you to place us on your prayer-list. Keep this work in Guatemala steeped in prayer so that the lost are saved and that every flight operation is done in safety and excellence.
