

Martinez Missionary Mail (3rd Quarter 2023)

Chuck & Robin Martinez, SGSP Mission Directors- Guatemala

A Time Such as This!

Chuck & Robin (C&R) have been missionaries for over 20 years. In that time, we have learned to rely less and less on our own understanding and more and more on His guidance through the Holy Spirit.

Projects, outreaches, and programs come into being within a ministry, at the appointed season, supporting the Great Commission. SGSP Aviation Ministries was incorporated in 2018 to “Give Wings to Good Works.” We believe the season for SGSP began, continues, and will expand and adapt for a time such as this!

Our sense is to be prepared for an unprecedented move of the Holy Spirit in Latin America and across the globe, creating a new zeal for reaching the lost. Aircraft is highly effect in speeding the Gospel, along with every other means possible.

Add Your Faith to Ours...

Together, we can each walk in our callings as we prepare for this season of Divine outpouring. If you are praying, continue to do so fervently. If you are giving, purpose to joyfully give more. If you have communicated within your inner circle about SGSP’s mission in Guatemala, set your intention to reach beyond your circle of influence. Consider how you might increase participation in Kingdom expansion.

Guatemala missionaries C&R with a zeal for the lost.

Are you ready shoes? Start Walking!!!

August Adjustments

The oil pressure adjustment valve is a simple device but critical to safe flight operations. After adjustment, a few short local flights are required to verify that OP remains in the correct range during all phases of flight. We sometimes use these short flights to build goodwill among the airport staff & police. They enjoy the thrill of flight, and it allows us the opportunity to evangelize and check on the spiritual wellbeing of those we work closely with.

For Your Consideration...

It is never too early to consider and prepare for 2024 tax-deductible contributions. Help SGSP Aviation Ministries and missionaries, Chuck & Robin, remain surefooted and effective on the mission field of Guatemala. Be sure to send your best giving to SGSP Aviation, PO BOX 1252, Sierra Vista AZ 85636. Make your check payable to SGSP.

Juxtapositions in 2023

Keeping aircraft ready for service on the mission field requires constant care, inspection, paperwork, and proficiency on the part of the missionary, pilot, and mechanic. The 2023 aircraft annual inspection was completed as Chuck turned 63. Both aircraft and Chuck are in excellent shape.

September Celebrations

Chuck & Robin celebrated our 35th wedding anniversary (early) with a surprise trip to Niagara Falls, viewing the falls from both U.S. and Canada. Meanwhile in Guatemala, sewing classes, neighborhood outreaches, children's home visitations and support continue.
